

Covid-19 Vaccine Supply Chain and Regulatory Transparency Technical Symposium

Laetitia Bigger

Director, Vaccines Policy

Laetitia Bigger joined IFPMA in 2006 and is responsible for vaccines policy. She coordinated IFPMA activities related to anti-doping cooperation, regulatory policy - clinical trial transparency, ethics in medical research and pediatric medicines - and technical standards for innovative medicines, until December 2011.

Prior to joining IFPMA, she worked as clinical research associate for the multidisciplinary center on oncology, University Hospital Lausanne. She holds a PhD degree in Biology from the University of Lausanne (Switzerland).
