

Covid-19 Vaccine Supply Chain and Regulatory Transparency Technical Symposium

Dr June Raine CBE

Chief Executive, Medicines and Healthcare products Regulatory Agency, UK

Dr June Raine trained in medicine and pharmacology and her interest in drug safety led to a public health career in medicines and devices regulation. In 2012 June was elected the first chair of the European Pharmacovigilance Risk Assessment Committee, and she has also co-chaired the WHO's Advisory Committee on Safety of Medicinal Products. June has published on risk management and communication, and also on medicines for women's health.
