

Covid-19 Vaccine Supply Chain and Regulatory Transparency Technical Symposium

SILVIA SORESCU

Economist/Policy Analyst, Emerging Policy Issues Division, Trade and Agriculture Directorate, OECD

Silvia Sorescu is an Economist/Policy Analyst in the Emerging Policy Issues Division of the OECD's Trade and Agriculture Directorate, which she joined in 2010.

Silvia is currently managing the Directorate's trade facilitation work, which includes the OECD Trade Facilitation Indicators database covering more than 160 economies. She is also working on developing the Directorate's work stream linking trade facilitation and digital trade issues. In the context of the trade facilitation work, Silvia has been a core part of the team analysing vaccines supply chains.

Silvia also has in-depth country-specific experience, leading the Directorate's work on agricultural trade and domestic policy developments in China and India.

Prior to joining the OECD, Silvia was a Research Associate at the World Economy Group, an academic research centre at the Paris Institute of Political Studies (Sciences Po Paris), working on various trade policy and European Union policy issues. Silvia holds a Master's Degree in International Economics from Sciences Po Paris.
