

Covid-19 Vaccine Supply Chain and Regulatory Transparency Technical Symposium

Alastair West

Lead Pharmaceutical Industry Expert, UNIDO

Alastair West is the Lead Pharmaceutical Industry Expert at the United Nations Industrial Development Organisation (UNIDO) – He has worked on improving access to medicines and vaccines in developing and least developed countries for over 15 years, with a focus on strengthening productive capacities for healthcare commodities in the Global South. His work with UNIDO over the last decade has had a particular focus on the pharmaceutical industry in Africa and he was co-author of the African Union Commission’s Business Plan for accelerated implementation of the Pharmaceutical Manufacturing Plan for Africa (PMPA). Prior to joining UNIDO he worked closely with GAVI as part of the vaccine team at the World Bank. His background is in Business Development for the research-based biotech sector, and he received a degree in biochemistry from Oxford University and an MBA from IMD.
