REPLIES TO QUESTIONNAIRE ON  
IMPORT LICENSING PROCEDURES

HONG KONG

Corrigendum

The following information, made available by the delegation of Hong Kong corrects and supplements information contained in L/5640/Add.4.

Reply No. 1

Line 21: change "original copy" to "carrier copy".

Reply No. (7) (a) (i)

Line 3: delete "at least four clear working days".

Reply No. 12

Replace with:

12. Except for textiles import licences for which a fee of HK\$20 (US\$2.60) per application is charged, no licensing fee for other types of import licence applications is required. Import licence forms however can be purchased from the Government at the cost of HK\$10 (US\$1.28) (for textiles) or HK\$7.50 (US\$0.96) (for other licensable goods) per pad of twenty sets.

Reply No. 17(c)

Delete in toto.

Reply No. 23(d)

Replace with:

- (d) Dogs and cats, by the Agriculture and Fisheries Department. Dogs and cats from most countries are subject to six months quarantine. Permits are required before importation, supported by certificates of health and isolation depending on country from which imported. Purpose: to regulate the keeping and control of dogs and cats and to provide for the suppression of rabies. Maintained under regulation 12, Dogs and Cats Regulations, Cap. 167.

Reply No. 23(k)

Line 2: delete "Dealer's licence required." and substitute with "Importers and dealers must be licensed and removal permits are required."
