SUBSIDIES

Notifications Pursuant to Article XVI:1

YUGOSLAVIA

The Permanent Mission of Yugoslavia has notified the following changes to its full notification of subsidies (L/5603/Add.19 and supplements).

Amendments to the system of drawbacks of customs and other import charges have been published in the Official Gazette of the SFRY, No. 2/85. These amendments mainly consist of abolition or reduction of some forms of export incentives.

The drawback of contributions from income and personal incomes (paragraph 2, page 1 of the Notification), which were refunded in the percentages indicated under "4" (tables on pages 5-9), has been abolished.

The drawback of a portion of freight charges, described in the last paragraph on page 2, has been cut by one half (from 20 per cent to 10 per cent and from 30 per cent to 15 per cent respectively).

The incentives enjoyed by the Automobile Association of Yugoslavia for gasoline and diesel fuel coupons (page 4) has also been abolished.

The foregoing amendments to the Self-Management Agreement on Establishing the Right to the Drawback of Customs and Other Import Charges became effective on 19 January 1985.
