SIXTH CERTIFICATION OF CHANGES TO SCHEDULES

Schedule XLIV - Portugal

The following communication, dated 5 March 1985, has been received from the Permanent Mission of Portugal.

Portugal had requested authorization to enter into renegotiations under Article XXVIII with a view to withdrawing heading No. 28.03 (carbon) from Schedule XLIV (document SECRET/300 of 1 July 1983). That authorization was granted to it by the Council on 12 July 1983. After the Portuguese authorities had engaged in the relevant consultations with interested countries and had received no complaints under Article XXVIII:1, this concession was withdrawn as notified in document SECRET/300/Add.1.

Accordingly, with reference to GATT/AIR/1096, I have the honour to submit the following change, for inclusion in the Sixth Certification of Changes to Schedules:

Fourth Certification of Changes to Schedules, 1979

Heading No. 28.03 - carbon (in particular lampblack)

This concession is withdrawn.

If no objection is notified to the secretariat within three months from the date of the present document, the rectification to Schedule XLIV - Portugal will be deemed to be approved and will be reflected in the Sixth Certification of Changes to Schedules.
