Committee on Anti-Dumping Practices

## REPORTS UNDER ARTICLE 16 OF THE AGREEMENT ON THE IMPLEMENTATION OF ARTICLE VI

### Note by the Secretariat

The Committee had a preliminary discussion, at its meeting on 29 September 1969, on a standard form for reports to be submitted in the future under Article 16 of the Anti-Dumping Agreement. On the basis of the views expressed in the discussion the secretariat suggests that the reports should contain summaries of anti-dumping cases under the following headings:

1. Cases pending as of 1 July of the year before the report is submitted.

2. Applications received for anti-dumping action.

3. Investigations opened.

4. Cases on which provisional action taken.

5. Cases on which final decision reached:

   (a) anti-dumping duties imposed;

   (b) cases settled through price undertakings.

6. Cases dismissed.

7. Revocation of anti-dumping duties.

8. Cases pending as of 30 June of the year the report is submitted.

The reports should cover the period 1 July-30 June and should be submitted before 1 August.

Under headings 3-8, the cases should be split up in two categories:

(i) cases where the proceedings were initiated before the beginning of the period covered by the report, and

(ii) cases where the proceedings were initiated in the course of the period covered by the report.

It is desirable that as many details as possible should be given regarding the nature of the products concerned and their origin. Such details should always be given for cases under headings 4, 5 and 7.
