| 199 | Gelatine mixture used for printing rollers; etc. (rollenspecic) |
| 200 | Dextrin etc. |
| 201/II | Glue and gum and other prepared adhesive matter etc. |
| 209/I-II | Fertilizers |
| 220 | Transmission belts etc. |
| 225 | Natural, synthetic, artificial, imitation rubber and other substitutes and reclaimed rubber |
| 230 | Rubber threads and rubber strips, etc. |
| 231 | Rubber paste for dental use |
| 234/I-II | Transmission belts of rubber |
| 235/II-IIIa-b-IV | Tyres and tubes for vehicles, etc. |
| 237/I | Diving-suits |
| 244/I | Rubber cap stoppers for medicine vials |
| 258/1 | Plywood cases and wooden parts etc. |
| 262 | Shuttles for textile machinery etc. |
| 266 | Dough vats and yeast vats and similar vats for factories |
| 281 | Raw cork in sheets or pieces etc. |
| 285 | Worked cork, in plates, sheets etc. |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|--|
| 284 | Cork blocks |
| 285 | Cork for construction or insulation purposes |
| ex 286 | Crown corks |
| 300 | Pulp (paper pulp) of rags, wood, straw etc. |
| ex 302 | Counter board for the shoe-industry |
| 305 | Paper and paper board for technical purposes |
| 307/I-II-III | Wrapping paper etc. |
| 308/I-II | Newsprint etc. |
| 309/II | Cigarette paper, not in book form |
| 315/I-II | Writing paper etc. |
| 331/I-II | Spinning mill spindles, weaving cards, paper packing etc. |
| 334/III | Printed matter etc. |
| 341/I | Printed punch cards |
| 343 | Silk cocoons, silk waste etc. |
| 344/I-II | Silk yarns and threads |
| 346/1a-1b | Monyl for screen printing, velveteen for caps, textiles of artificial silk and rayon except lace |
| 347 | Metal thread fabrics |
| 349 | Wool and other animal hair |
| 351/I-II | Woollen yarns |
| 353/I-II | Cotton, raw and other |
| 355/I-IIa-b | Cotton yarns |
| 356/IIa-b-III | Cotton cambrics and other cotton piecegoods, also cotton tape and ribbon |
| 357/I | Vegetable fibres of ramie, jute and Manila hemp |
| 359/I-II | Linen threads and yarns |
| 362/I | Felt in sheets or rolls |
| 363/I | Jute twine |
| 364 | Cotton rope and cordage |
| 366 | Fishing nets and material for making same (with permission of the Ministry of Agriculture) |
| 367/I | Yarn for wounds and sutures, catgut etc. |
| 368 | Book-binding cloth |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|--|
| 369 | Tracing cloth and painters' canvas |
| 374/I | Elastic sewing thread |
| 377 | Carding belt (card fillets) etc. |
| 378 | Filter cloth, bolting gauze etc. |
| 379/I-II | Woven material for technical use, e.g. for insulating etc. |
| 380 | Emery cloth |
| 381 | Jute cloth |
| 382 | Insulating cloth for covering steam piping, etc. |
| 383 | Sailcloth, tarpaulin and other thick cloths |
| 384 | Brake linings |
| 385/Ia-II | Fire hoses and other hoses |
| 386 | Felt sleeves and covers etc. |
| 387 | Transmission belts and conveyor bands |
| 388 | Weaving heads etc. |
| 391/I-II | Packing rings, filter cloth for industrial purposes |
| 408 | Gunny sacks for packing |
| 422 | Asbestos footwear |
| 443/II | Grindstones etc. |
| 444 | Lithographic stones |
| 447 | Emery etc. |
| 449/I-II | Mica in sheets etc. and mica articles for insulating purposes |
| 451 | Products for heat or cold insulators of kieselguhr etc. |
| 455/Ia-b-II | Asbestos ware |
| 457 | Asbestos-cement pipes and tubes |
| 464 | Fireproof bricks |
| 465 | Crucible gas retorts, muffles etc. |
| 466 | Laboratory articles made of porcelain etc. |
| 479 | Glass paste in rough blocks or in lumps etc. |
| 480/I | Glass tubes |
| 481/I | Sheet glass |
| 489 | Glasses, cylinders and protector glasses, for miners' lamps |
| 491/III | Glass ampoules and vials for serum (with permission of the Ministry of Health) |

| <u>Import tariff item no.</u> | <u>Short description of goods</u> |
|-------------------------------|---|
| 494 | Laboratory glassware |
| 495 | Glassware for industrial use |
| 497/II | Glass irrigators etc. for treatment of the sick etc. |
| 504 | Unworked optical glass, etc. |
| 509 | Glass yarn and glass wool |
| 512 | Signal lamps for ships and railways etc. |
| 513 | Lamps for lighthouses and other lights for marine and aerial navigation, lenses etc. |
| 515/I | Vacuum glasses for thermos bottles and glass bulbs for the manufacture of lampbulbs |
| 516/I | Gold, silver and platinum in unfinished form, with special permission of the Ministry of Light Industry |
| 519/II | Diamond powder and diamond waste (ports) |
| ex 524 | Pig iron, raw, with special permission of the Ministry of Basic Industry |
| 525/I-IIa-b | Iron in bars, plates or sheets, forged, rolled, flattened, pressed or drawn, including hoop iron |
| 526/I-II | Iron wire, n.s.m. |
| 527 | Sheet-piling and similar sectional iron for covering river banks etc. |
| 528 | Bent steel plates - semi-finished |
| 529 | Axle material (round axle iron) etc. |
| 530 | Railway rails, cross-pieces for railway crossings and points, not including point locks etc. |
| 531 | Iron fixing material for railways |
| 532 | Profile steel for vehicle wheel tyres etc. |
| 533/I-II | Iron-clad bars for reinforcing safe walls, etc., also expanded metal etc. |
| ex 534/I | Roofing iron sheets |
| 536 | Iron sheets perforated, hollowed or worked in another way, for technical purposes |
| 538/I-II | Iron/steel pipes and tubes for technical purposes |
| 539/I-II | Accessories for the above-mentioned pipes/tubes |
| 540 | Steel tubes for bicycle frames etc. |
| 541 | Tubes for deep boring and accessories in tube form etc. |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|---|
| 542 | Iron/steel bridges and wharves and parts thereof |
| 543/I-II | Iron/steel for framework of structures, hangars or warehouses |
| 548 | Lighting posts (arc lamp posts) and other posts etc. |
| 550 | Carbonic acid bottles, oxygen bottles and other iron cylinders etc. |
| 552/Ia-IIa | Iron shoe tacks and hob nails |
| 554/I | Iron fastening material for filter presses, driving belts etc. |
| 555 | Hawsers and cables of iron wire, driving belts, conveyor belts etc., of iron wire |
| 558 | Plaited wares, fabrics, imitation fabrics etc. for industrial purposes |
| 562 | Chains for technical use, as boat chains etc. |
| 564 | Ball and roller bearings and the like |
| ex 565 | Iron instruments and tools, excluding patjols, patjol forks etc. |
| 566 | Sealing and checking punches, packers' tongs, stow-hooks and wire stretchers |
| 567/I-II | Jewelling and sewing machine needles, knitting and knitting-machine needles |
| 569 | Fish hooks |
| 570/II | Casting and beating forms, moulds etc. |
| 571 | Moulders' tools etc. |
| 575 | Erecting trestles, bridges and supports for repairs |
| 577 | Receptacles for transporting or coagulating latex etc. |
| 578/I-II | Accessories for steam boilers, man-hole covers etc. |
| 579 | Axles, axle boxes and wheels for ordinary freight or transport lorries etc. |
| 580/I-II | Ships' anchors, screw propellers, parts/accessories of ships |
| 581 | Anchor buoys and accessories |
| ex 583 | Pounded iron for sawing and scouring |
| ex 584 | Locks of ordinary metal |
| ex 596 | Parts of zip fasteners, sliders, topstop and bottom stop |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|--|
| 597 | Copper, raw in lumps etc. and copper waste |
| 598/I | Unworked copper in bars, plates or sheets, etc. |
| 600 | Copper wire and wire cables, cordage etc. |
| 601 | Hollow wire for conveying liquids, etc. |
| 602 | Copper pipes and tubes for technical purposes etc. |
| 604 | Copper plates, perforated, hollowed etc. for technical use etc. |
| 605/I | Copper fabrics, plaited wares etc. for industrial purposes |
| 607/I | Copper driving belt fasteners |
| 609 | Equipment pieces for factories and other industrial establishments, also tools |
| 610/I-II | Boat propellers, centres and blades for boat propellers, etc. |
| 611 | Copper water sprayers, joints and nozzles of sprayer pipes |
| ex 612 | Copper locks |
| 618/I | Copper caps for lamp bulbs and dry electric cells |
| 619 | Nickel - raw, in lumps, ingots etc. |
| 620 | Nickel anodes |
| 621/I | Unwrought nickel in plates, bars etc. |
| 624 | Equipment pieces for factories and other industrial establishments etc. |
| 627 | Aluminium - raw, in blocks, bars, ingots etc. |
| 628 | Aluminium powder |
| 629 | Thermit and other mixtures of aluminium powder etc. |
| ex 630/Ia-b-II | Aluminium strips for zip-fasteners |
| 631 | Aluminium foil, weighing 300 grs. or less per sq. metre |
| ex 632/I-II | Aluminium wire for industry and wares for electrical current, also pipes |
| 633 | Tacks, nails, bolts, nuts and other fasteners |
| 634 | Equipment parts for factories and other industrial establishments |
| 636/I | Aluminium coagulating tanks |
| 640/Ia-b | Aluminium blanks (for making tubes used in i.a. the tooth-paste industry) |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|---|
| 641/I-II | Lead-raw, in blocks, lumps etc. |
| 642/Ia-o | Lead, in bars, plates or blades, unwrought |
| 643 | Lead, in leaves or sheets, whether or not tinned, weighing 450 grs. or less per sq. metre |
| 644 | Lead used for lining tea chests |
| 645 | Lead wool, lead wire and lead strips |
| 647 | Lead pipes and tubes and tubular accessories |
| 648/I-II | Equipment pieces for factories and other industrial establishments |
| 652/I-II | Zinc - raw, in blocks, lumps etc. |
| 653/I | Zinc - in bars, sheets, profiles, unwrought |
| 654 | Perforated zinc sheets for technical use in industry |
| 655 | Zinc wire, n.s.m. |
| 656 | Zinc pipes and tubes and tubular accessories |
| 657 | Zinc nails, tacks, bolts and other fasteners |
| 658 | Equipment pieces for factories and other industrial establishments |
| 663 | Tin foil and tin sheets, weighing 500 grs. or less per sq. metre |
| 664 | Tin pipes and tubes and tubular accessories |
| 667 | Mercury . |
| 668 | Antimony, cobalt and other metals n.s.m., raw etc. |
| 669 | Articles and wares made from metals in number 667/668 |
| 670 | Amalgams, n.s.m. (mercury alloys) |
| 671 | Pyrophoric alloys and articles thereof |
| 672/Ia | Rubber tapping knives, pruning and grafting knives, draw-knives |
| 690 | Miners' lamps etc. |
| 691 | Fat and oil lamps specially for engine rooms; electric portable lamps, etc. |
| 692 | Laboratory articles such as Bunsen burners etc. |
| 694 | Metal wool packing and other metal packings |
| 695 | Welding material other than soldering paste, tinol etc. |
| 700 | Printing figures and type, including spaces etc. |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|---|
| 706 | Wire, including twists, cords etc., for electric conductors, framework wire and wire stays, n.s.m. |
| 707 | Dynamo wire and other similar wound products for industrial use |
| + 711 | Steam boilers and gas generators |
| + 712 | Superheaters, condensers, preheaters etc. |
| 713/I-II | Steam engines and steam turbines etc. |
| ex 714 | Propelling engines clearly intended for trucks and jeeps, engines for locomotives and aircraft, engines for tractors and similar tractive mechanisms, and engines for motorboats including outboard-motors, also parts and components for the aforesaid engines |
| + 715 | Hydraulic machines (turbines) etc. |
| + 716/I-II | Locomotives and steam tractors |
| + 717/I-II | Road rollers and machines for road-making etc. |
| + 718/I-II | Pumps, etc., (mechanically driven) |
| + 719/I-II | Pumps etc., (not mechanically driven), hydraulic rams etc. |
| + 720 | Petrol and oil pumps for streets, automobile garages, etc. |
| + 721 | Pump combinations for automatically supplying water to dwellings, gardens, etc. |
| + 722 | Centrifugal exhausters, etc. |
| + 723/I-II | Hoisting and lifting apparatus, etc. |
| + 724/I | Automatic weighing apparatus for industrial manufacturing processes |
| + 725 | Disintegrators, stamping mills, etc. |
| + 726 | Machines for working metals, stone, etc. |
| + 727 | Agricultural implements for working the soil, etc. |
| + 728/I-II | Machines, apparatus and instruments for processing agricultural products |
| + 729 | Rice hullers and maize shellers, etc. |

Import tariff item No.

Short description of goods

| | |
|--------------|---|
| + 730 | Boilers for cattle food, mechanical milkers etc. |
| + 731/II | Milk separators, etc., weighing 20 kilogrammes or more |
| + 732/I-II | Grinding machines etc., used for vegetable products, etc. |
| + 733 | Machines and apparatus used for slaughtering and skinning cattle, and for working hides and skins |
| + 734 | Machine and looms for the textile industry etc. |
| + 735 | Machines for preparation of paper fibres and paper |
| + 736/I-II | Apparatus for mining and geological purposes |
| + 737 | Machines and apparatus for the manufacture of pottery, glass and glassware |
| + 738/II | Bakery machines, weighing more than 50 kg. |
| + 739/I-II | Evaporating and refrigerating apparatus, etc. |
| + 740 | Machines for the manufacture of soap |
| + 741 | Machines for gas production and distribution |
| + 742/II | Machines for the manufacture of tobacco products |
| + 743 | Machines for preparing mineral waters in bottles and jars |
| + 744 | Ice-making and refrigerating machines etc. |
| + 746/I-II | Bakers' ovens and other industrial ovens |
| + 747 | Apparatus for heating steam boilers and industrial ovens |
| + 748 | Apparatus for fermenting rooms, etc. |
| + 749 | Centrifugals and other devices for purifying used machine oil, etc. |
| + 750 | Machines used for building purposes, such as concrete mixers etc. |
| + 751 | Forges, hearthes etc. |
| + 752 | Machines for cleaning, filling etc. bottles, tins, etc. |
| + 755/Ib-IIb | Machines for sewing, knitting, embroidering etc., not in furniture form |
| + 756 | Printing machines and apparatus, etc. |
| + 757 | Addressing machines, etc. |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|--|
| + 759 | Dating machines for railway tickets |
| + 760 | Machines for prepaying postage and for sticking postage stamps |
| + 761/I-II | Typewriters, n.s.m., accountancy and statistic machines, etc. |
| + 762 | Laundry machines, pleating machines |
| + 764 | Divers' apparatus |
| + 765/I-II | Fire engines, fire extinguishers, etc. |
| + 766/Ia-II | Sprayers, watering, sprinkling and vaporising apparatus etc. |
| + 768 | Disinfecting ovens, etc. |
| + 769 | Steering equipment/apparatus for ships, etc. |
| + 776/I | Hydrokineters, barboteurs (steam blowers) for industrial purposes |
| + 777 | Laboratory air pumps and laboratory grinders etc. |
| + 778/I | Machines and apparatus, clearly intended for industrial purposes, n.s.m. |
| + 779/I-II | Accessories for steam, gas or liquid piping, n.s.m. |
| 780 | Manometer cocks, filter press cocks and lead cocks, etc. |
| 781/I-II | Cocks, n.s.m. |
| 782 | Safety valves and safety whistles for industrial use |
| 783 | Driving shafts and propeller shafts for boats |
| 784 | Transmission belts and strap-discs etc. |
| 785 | Parts for above-mentioned machines |
| + 786/I-II | Dynamos, generators, etc. |
| 787/1-b 1. | Electric cells and batteries generally used for telegraph and telephone purposes |
| 789/I-a-II | Electrical ignition apparatus for detonating mines, and sparking plugs |
| 790/I-II-b | Electric lamps, X-ray lamps, etc. |
| + 791 | Telegraph apparatus |
| 792/I-III-IV | Telephone apparatus, radio apparatus, television sets etc. |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|--|
| + 793 | Telewriters, transcribers etc. |
| + 796 | Electrical apparatus for announcing warnings in industrial establishments |
| + 797 | Electrical signalling and safety apparatus for railways, etc. |
| 798 | Ships' telegraph apparatus, etc. |
| + 799/I-II | Electrical apparatus for regulating clocks, etc. |
| + 800 | Electromotors, accumulators for propelling railway and tramway rolling stock, etc. |
| + 801/II | Ditto for propelling vehicles not running on rails |
| 802 | Turbo-generators, steam-dynamos, etc., n.s.m. |
| 803 | Electric units for own supply of electricity in houses, hotels etc., of more than 5 KVA. |
| + 804/II | Electrical fans used as working instruments for industrial or technical purposes |
| + 805 | Electro-chemical apparatus, etc. |
| + 806 | Ozone plants for purifying drinking water |
| + 807 | Electric smelting furnaces, welding apparatus, etc. |
| + 812/I | Electric machines and apparatus, n.s.m., clearly intended for industrial use |
| + 813/I-II-a-b | Insulated wires and cables for electric conductors |
| 814 | Cable fittings |
| 815 | Cable eyes, cable couplings, cable sockets, etc. |
| 816/II-a-b | Support and installation material for electric conductors etc., excluding union tubes |
| 817 | Fuses and safety devices, etc. |
| 818 | Resistances and tension regulators, etc. |
| 819/II | Switches for household use, plugs, contacts etc. |
| 820 | Contact and switch apparatus for advertisement lighting, etc. |
| 821 | Lifting magnets used as working implements |
| 824 | Cups and receptacles for electroplating units |
| 825 | Electrodes, boxes and separators for accumulators, n.s.m. |

| <u>Import tariff item No.</u> | <u>Short description of goods</u> |
|-------------------------------|---|
| 826 | Objects of carbon for electrical purposes, etc. |
| 828 | Resistance material for electric-heating, etc. |
| 829/I-II | Rotors and stators, etc., for dynamos, electric motors etc. |
| 830/I-II | Components or parts of electrical apparatus, machines, n.s.m. |
| + 831 | All kinds of locomotives, locomotive tenders, locotracors etc. |
| 832 | Stationary material for railways and tramways, etc. |
| + 833 | Tractors, also walking tractors of 5 H.P. or more, etc. |
| 834/I-a-1-3-1a | Jeeps, buses and pick-ups and trucks, c.k.d. |
| 836/I-II | Radiators, springs, etc., for automobiles |
| 837/I | Lamps, dip-switches, signalling and warning devices, etc., for automobiles. |
| 838/I-a | Cycles of all kinds, not having their own motive power, c.k.d. |
| 839/I-II-b | Parts of cycles other than frames, rims, mudguards, etc. |
| 845 | Parts and accessories of aircraft |
| 846/III | Dredgers, floating elevators, cranes, derricks, etc. |
| 847 | Surgical instruments |
| 848 | Instruments for medical or surgical examination, etc. |
| 849 | Examination and operating tables, etc. |
| 850 | Orthopaedic appliances, artificial limbs, etc. |
| 852 | Water, gas and electricity meters |
| 853 | Voltmeters, ammeters, wattmeters, etc., n.s.m. |
| 854 | Voltmeters and ammeters, etc., for automobiles |
| 859/II-III-a | Clinical thermometers and thermometers for industrial use |
| 861 | Measuring and counting machines for ascertaining the pressure of steam or gas, etc. |
| 862 | Micrometers, sliding calipers etc. |

| Import tariff item No. | Short description of goods |
