NOTES:  1. Wherever in the foregoing Listing no further item numbers are listed with the Customs Tariff Headings; all statistical numbers enumerated for the respective Tariff Headings in the "Customs Entry Schedules" shall be regarded inclusive within the scope of such.

2. Unless specifically annotated with restrictive provisions such as "only" or "excluded" all commodity descriptions in the foregoing Lists shall be inclusive of any and all articles enumerated under respective Item Numbers in the "Customs Entry Tariff Schedules".

3. With regard to importation to be made under Quotas nominated "Assorted"; existence of the goods to be thus imported under the import goods lists shall not be required. However, no commodities appearing under the Liberation Lists may be imported under "Assorted" Quotas. This requirement is waived in the case of imports under allocation for Quota Item Nos. 371, 372, 373. Provisions and stipulations regarding changes in commodities are reserved.

4. EEC shares for commodities whose imports will be approved by the respective application receiving and examination authorities, under "Assorted" heading Quotas of the List of Goods Subject to Allocation, are listed on the following pages.
