COT/M/12/Corr.1*
1 September 1972
Limited Distribution

Cotton Textiles Committee

MINUTES OF THE MEETING OF THE COMMITTEE HELD FROM 5 TO 6 JUNE 1972

Corrigendum

Page 5

Replace the paragraph on the Portuguese representative's statement by the following:

"The representative of Portugal referred to the satisfactory implementation of his Government's bilateral agreement with the United States, and added that it was only fair to mention the understanding attitude shown by the United States authorities, which had in particular made it possible to overcome a few difficulties that had arisen in the context of the implementation of that agreement."

*COT/M/12 has been circulated as attachment to L/3736.
