## ADMINISTRATIVE AND FINANCE QUESTIONS

### Re-grading of a Post in the Professional Category

#### Note by the Executive Secretary

1. In document L/2246, pages 24-25 (Budget Estimates for the Financial Year 1965), the Executive Secretary has requested the re-grading to P3, effective 1 January 1965, of a post of Economic Affairs Officer in the Agricultural Division graded P1/P2 in the 1964 Manning Table.
2. The Executive Secretary explained in the budget document that the request for re-grading resulted from the fact that the incumbent, who emerged as the most suitable candidate on the basis of an open competition, was transferred from the International Labour Office where he occupied a post graded at P3. The transfer took place on 13 July 1964.
3. Pending approval by the CONTRACTING PARTIES of the re-grading mentioned in paragraph 1 above, the incumbent of the post in question has been carried at P3 against the P1/P2 post for which the competition was held.
4. The extra cost to be charged to the 1964 budget resulting from this arrangement amounts to approximately \$1,420.
