THIRD CERTIFICATION OF RECTIFICATIONS AND MODIFICATIONS

Schedule XXXII - Austria

The Government of Austria has submitted for inclusion in the Third Certification of Rectifications and Modifications the attached list¹ of rectifications to the Schedules of Austria as annexed to the Torquay Protocol (as revised and contained in the Eighth Protocol of Rectifications and Modifications) and to the Supplementary Protocol of 1960-61 Tariff Conference.

The Government of Austria explains that the rectifications, which are of a formal character, have become necessary in view of changes in the Austrian tariff resulting from the adoption of recent decisions of the Brussels Customs Co-operation Council amending the explanatory notes to the Brussels Tariff Nomenclature 1955; partly the rectifications are proposed to bring about a more practical wording of national sub-items in the Austrian tariff.

If no objections are notified to the secretariat by thirty days from the date of this document, the list of rectifications submitted by the Government of Austria will be considered to have been approved and will be incorporated in the Third Certification of Rectifications and Modifications.

¹Two copies distributed to each contracting party.
