WORKING PARTY ON AUSTRALIAN REQUEST TO GRANT
PREFERENCES FOR LESS-DEVELOPED COUNTRIES

Notifications from Governments

Addendum

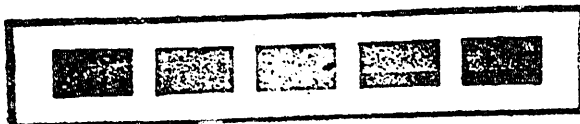

Since the circulation of L/2464 and Add.1 the following additional notifications have been received from the delegations of Ivory Coast and of Portugal.

Ivory Coast

I have the honour to refer to documents L/2445 of 4 June 1965 and L/2657 of 14 July 1965 and to inform you, on behalf of my Government, that the Republic of the Ivory Coast wishes to be included in the list of countries to receive the preferences which the Australian Government proposes to grant to less-developed countries.

Portugal

With reference to the procedure approved at the first meeting of the Working Party on the Australian request for a waiver to cover the granting of preferences to less-developed countries, I have the honour to inform you that the Portuguese Government will consider incomplete any list which might be drawn up and did not include the non-European Portuguese territories.
