GENERALIZED SYSTEM OF PREFERENCES

Notification by Australia

Addendum

The following communication dated 21 March 1978 has been received from the delegation of Australia.

In accordance with sub-paragraph (c) of the waiver adopted by the COMTRACTING FARTIES under the Decision of 25 June 1971 (L/3545), the following changes in the Australian Generalized System of Tariff Preferences for developing countries are notified for the information of contracting parties:

(a) As a result of the Australian Government's decision to implement the Industries Assistance Commission's First Report on Multilateral Trade Negotiations - General Rates of Duty, pursuant to devaluation of the Australian dollar in November 1976, many m.f.n. rates of duty were reduced on 29 January 1977.

> <u>Appendix 1</u> lists items previously included in the GSP but on which developing countries are now accorded dutiable m.f.n. rates as a result of reductions in the m.f.n. rates.

<u>Appendix 2</u> lists items previously excluded from the GSP but which now are duty free at m.f.n. rates.

In addition to, but as a consequence of, these changes, Singapore is no longer excluded from the GSP in respect of refrigerator filters and purifiers (classified t. 84.18.100) and Hong Kong is no longer excluded in respect of bicycle larps (35.09.300) and lamps etc. (85.09.400).

(b) Taiwan is excluded from the GSF in respect of reciprocating or rotary air compressors and pumps classified within paragraph 84.11.410. This exclusion took effect on 22 July 1977.
