SWITZERLAND - EMERGENCY ACTION IN REGARD TO
BOTTLED WHITE WINE

Addendum

Extension of Emergency Action

The following communication, dated 18 January 1979, has been received from the delegation of Switzerland.

Taking into account the domestic market situation, the Federal Council has extended for 1979 the measures that were in effect in 1978 limiting imports of bottled white wines (see document L/4181/Add.3). Accordingly, these imports remain limited to 65,000 quintals gross plus an additional 20,000 quintals to cover hardship cases.
