ARTICLE XIX - ACTION BY THE UNITED STATES

Specialty Steel

Addendum

EXTENSION OF TIME-LIMIT

The following joint communication dated 7 December 1978 has been received from the Permanent Missions of Sweden and the United States.

GATT document L/4368/Add.27 dated 25 July 1978, contains a communication from the delegations of Sweden and the United States agreeing to an extension of the ninety-day period set forth in Article XIX, paragraph 3(a), with respect to consultations on United States Article XIX action on imports of specialty steel.

These consultations, however, could not be concluded within the extended period referred to above. Therefore, the United States and Sweden have agreed that their reciprocal rights and obligations under the General Agreement will be maintained and for this purpose have agreed that the ninety-day period set forth in Article XIX, paragraph 3(a), shall be considered to expire on 14 July 1979.
