ARTICLE XIX - ACTION BY THE UNITED STATES

Specialty Steel

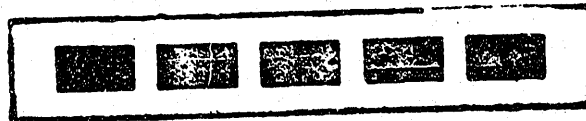

Addendum

EXTENSION OF TIME-LIMIT

The following joint communication dated 18 May 1979 has been received from the Permanent Missions of Canada and the United States.

GATT document L/4368/Add.30 dated 22 November 1978 contains a communication from the delegations of Canada and the United States agreeing to an extension of the ninety-day period set forth in Article XIX paragraph 3(a), with respect to the consultations on United States' Article XIX action on imports on specialty steel (GATT document L/4368 dated 7 July 1976).

These consultations, however, could not be concluded within the extended period referred to above. Therefore, the United States and Canada have agreed that their reciprocal rights and obligations under the General Agreement will be maintained and for this purpose have agreed that the ninety-day period set forth in Article XIX paragraph 3(a) shall be considered to expire on 14 September 1979.
