Addendum

LIFTING OF MEASURES

The following communication, dated 17 December 1979, has been received from the Permanent Mission of Australia.

My authorities have instructed me to advise you that, since 8 November 1979, Australia has removed the import controls on brandy, imposed under GATT Article XIX on 3 October 1977 (L/4569). The action under Article XIX has been discontinued since the circumstances occasioning the need for it have ceased.
