ARTICLE XIX - ACTION BY AUSTRALIA

Fixed Resistors

TERMINATION OF ACTION

The following communication, dated 22 May 1979, has been received from the Permanent Mission of Australia.

I have been requested by my authorities to advise, for the information of the CONTRACTING PARTIES, that the Australian Government announced on 9 May 1979 that, following its consideration of the recommendations of the Industries Assistance Commission in its interim report on fixed resistors of 30 March 1979, the import licensing restrictions on fixed resistors falling within item 85.19.1 of the Australian Customs Tariff have been discontinued.

It will be recalled that the decision to introduce the temporary restrictions on fixed resistors was notified to the CONTRACTING PARTIES on 29 November 1977 (L/4603).
