URUGUAY - IMPORT SURCHARGES

Request for Extension of Waiver

The following communication, dated 26 May 1978, has been received from the Permanent Mission of Uruguay.

---

I have the honour to confirm to you that, as stated by this delegation at the last meeting of the Council, the competent authorities of my country are currently considering various aspects concerning the waiver granted by the CONTRACTING PARTIES to Uruguay, which is due to expire on 30 June 1978.

For this reason, we request that the authorization currently in force for application of the surcharges be extended until the end of this year, so that the studies in course may be completed and the relevant technical consultations with the secretariat may take place.
