TERMINATION OF ACTION

The following communication, dated 9 June 1980, has been received from the Permanent Mission of Australia.

---

I have been requested by my authorities to advise, for the information of the CONTRACTING PARTIES, that the Australian Government announced on 16 April 1980 that the import licensing restrictions on uncoated hot rolled steel sheets and plates not exceeding 3.2 mm. in thickness and uncoated cold rolled steel and plates, of a kind falling within item 73.13.100 and galvanized steel sheets, plates, strips and hoops of a kind falling within tariff item 73.12.190 or 73.13.300 would terminate on 30 April 1980.

It will be recalled that the decision to introduce temporary restrictions on sheets and plates of iron or steel was notified to the CONTRACTING PARTIES on 18 August 1978 (L/4696).
