Sources: 1/ Report data published by the Central Bank of Chile.
2/ The value of total imports of products is given between brackets and is followed by a breakdown of imports from countries parties to the Protocol.
3/ For 1976, items with respect to which only the value for the period June-December 1976 has been included because data for the months of January to May 1976 did not include the necessary details.
4/ Data available only in respect of items imported from LAFK countries.
5/ Values included in general items at the Chapter level, as the details required for the Protocol were not available.
