ARTICLE XIX - ACTION BY THE UNITED STATES

Lag Screws or Bolts

Addendum

EXTENSION OF TIME-LIMIT

GATT document L/4742/Add.2 dated 16 March 1979, contains a communication from the Governments of the United States and Canada agreeing to an extension of the ninety-day period set forth in Article XIX:3(a) with respect to the consultations on United States Article XIX action on imports of lag screws or bolts (GATT document L/4742 dated 7 December 1978).

These consultations, however, could not be concluded within the period provided for in Article XIX. Therefore, the United States and Canada have agreed that their reciprocal rights and obligations under the General Agreement will be maintained. For this purpose, the ninety-day period set forth in Article XIX:3(a), shall be considered to expire on 6 June 1979.
