Copies of the Geneva (1979) Protocol have been sent to contracting parties and to other countries participating in the Multilateral Trade Negotiations as indicated in paragraph 3 of document L/4812/Add.1.

A number of rectifications of a technical character to the Schedules annexed to the Protocol have since been received by the secretariat.

Other governments wishing to receive sets of these pages are invited to address requests to the secretariat (Miss Y. Davel, Office 1021, telephone extension 2117).

These rectifications will be reflected in the printed volumes containing the Geneva (1979) Protocol (cf. paragraph 4 of L/4812/Add.1).
