Rectifications

Since the circulation of document L/4812/Add.2, some further rectifications of a technical character to the Schedules annexed to the Geneva (1979) Protocol have been received by the secretariat.

Sets of pages containing these rectifications have been sent to contracting parties having Schedules annexed to the Geneva (1979) Protocol. Other governments wishing to receive sets of these pages are invited to address requests to the secretariat (Miss Y. Davel, Office 1021, telephone extension 2117).

These rectifications will be reflected in the printed volumes containing the Geneva (1979) Protocol (cf. paragraph 4 of L/4812/Add.1).
