In the Socialist Republic of Romania, foreign trade and international economic co-operation are a State monopoly and are carried on at present through the intermediary of fifty-two units authorized to engage in these activities. The list of these units, showing their functions, is to be found in the Annexes to State Council Decree No. 276 of 21 July 1979, published in Official Gazette No. 63/1979 of the Socialist Republic of Romania.

As regards the other matters included in the Questionnaire on State Trading (document L/4623 of 20 January 1978), there have been no changes since the last Romanian notification (document L/4140/Add.12 of 28 August 1975).
