FIFTH CERTIFICATION OF CHANGES TO SCHEDULES

Schedule LXXI - Hungary

Addendum

The following communication, dated 21 October 1980, has been received from the Permanent Mission of Hungary.

With reference to and in connexion with the list of rectifications to Schedule LXXI - Hungary, contained in Document L/4968, dated 30 April 1980, I inform you that Hungary has conducted and concluded negotiations with Austria, the EEC, Japan and the United States.

As a result of these negotiations, the following changes are necessary to be carried out in the list of rectifications to Schedule LXXI:

1. Please delete the proposed changes concerning tariff heading 39.02.07 in Document L/4968, page 3. Consequently, the final rate of the above-mentioned tariff heading remains 8.9 per cent, as contained in Schedule LXXI - Hungary, annexed to the Geneva (1979) Protocol to the GATT.
2. Please introduce under tariff heading 84.06, in addition to the relevant sub-headings contained in Schedule LXXI - Hungary, annexed to the Geneva (1979) Protocol, as amended by the list of rectifications to the Schedule, circulated in Document L/4968, the following new sub-heading:

"84.06.10 Parts for aircraft engines 20* 8"

20 - base rate; 8 - final rate.
