IMPORT SYSTEM OF FINLAND

The Government of Finland has submitted, for the information of contracting parties, a publication describing the import system of Finland as applied from 1 May 1980.

In the publication are enumerated:

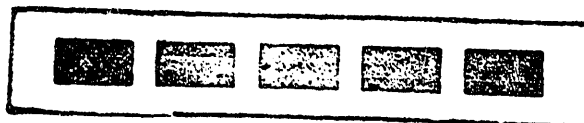

- (1) countries to which multilateral import treatment is applied (paragraph A 1),
- (2) quantitative restrictions applied by Finland to the imports from those countries (global quota system in paragraph A 3 and individual licensing in paragraph A 4),
- (3) the treatment of imports from the USSR (Section B), from the KEVSOS-countries (Section C), from China and Romania (Section D) and from other countries (Section E).

Since the printing of the publication the following items have been liberalized:

- 08.06.B.I Peaches, customs cleared 1.12.-29.2 (202)
- 20.06.B. Peaches, containing added sugar (601)
- 20.06.B. Peaches, other (609)
- 20.06.C. Mixed fruit, containing added sugar (901)
- 20.06.C. Mixed fruit, other (909)

These items should therefore be deleted from paragraphs A 3 and A 4 of the publication.

Two copies are being distributed to each contracting party.
