EUROPEAN COMMUNITIES - IMPORTS OF FROZEN COD FILLETS

Addendum

Extension of Time-Limit

The following joint communication, dated 27 July 1982, has been received from the delegation of the Commission of the European Communities, and the Permanent Mission of Canada, with the request that it be circulated to contracting parties.

GATT document L/5193, dated 2 October 1981, contains a notification from the Commission of the European Communities concerning actions in respect of certain cod fillets.

Canada has engaged in consultations with the European Communities pursuant to Article XIX.

These consultations, however, will not be concluded prior to the expiration of the ninety-day period provided for in Article XIX:3 as extended in documents L/5193/Add.1 and Add.2 of 26 February and 18 May 1982. Therefore, the Government of Canada and the Commission of the European Communities have agreed that their reciprocal rights and obligations under the General Agreement will be maintained and, for this purpose, have agreed that the ninety-day period set forth in Article XIX:3(a) shall be considered to expire on 11 November 1982.
