REPORT OF THE WORKING PARTY ON THE ACCESSION OF THAILAND

Schedule LXXIX - Thailand

Addendum

As indicated in paragraph 23 of the Report of the Working Party on the Accession of Thailand (L/5314), the schedule of tariff concessions resulting from the negotiations between Thailand and contracting parties would be annexed to the Accession Protocol when the tariff negotiations were terminated. The secretariat has now received the results of those negotiations; a Schedule LXXIX - Thailand has been prepared according to the requirements of the Loose-Leaf System and two copies are being circulated with this document to all contracting parties.¹ The abbreviation TH/82 in column 4 of the Schedule refers to the Protocol for the Accession of Thailand to GATT.

There will be no schedule other than Schedule LXXIX - Thailand annexed to the Protocol.

¹Additional copies are available upon request (Mrs. J. Hudry, extension 2152).
