The following communication, dated 8 May 1985, has been received from the Permanent Mission of Canada.

With reference to the notification to contracting parties of changes in the implementation of measures regarding Canada's quota on imports of certain types of footwear taken under Article XIX (Document L/5351/Add.20 of 21 December 1984 refers) the Canadian Government wishes to advise of further changes designed to liberalize the import restrictions.

Effective of 30 April 1985 the following imports of leather footwear are exempt from the quota: (a) all shoes and sandals valued for duty at \$35 Canadian or more per pair; and (b) all boots valued for duty at \$60 Canadian or more per pair. The overall level of the quota will remain unchanged.
