Communication from Poland

The following communication, dated 27 October 1982, has been received from the Permanent Representation of Poland.

On 25 October, 1982 the United States Trade Representative in Geneva presented the Permanent Representative of Poland to GATT with a request for bilateral consultations on the subject of Poland's performance with respect to its rate of imports commitment under GATT Schedule LXV.

The Polish side accepts this request and wishes to propose that the said consultations be held in Geneva on 29 October, 1982, this being the earliest date by which Polish experts can make necessary preparations and arrive in Geneva.
