CONSULTATION WITH POLAND UNDER PARAGRAPH 7
OF THE PROTOCOL OF ACCESSION

Communication from the United States

Addendum

The following communication, dated 27 October 1982, has been received from the delegation of the United States.

As consultations with Poland under paragraph 7 of the Protocol for the Accession of Poland (L/2851) held on 22 October 1982 did not lead to a result satisfactory to the United States, and Poland remains unable to fulfill its GATT obligations as stipulated in GATT Schedule LXV, the United States is, as provided for in paragraph 7 of the Polish Protocol, suspending the application to Poland of such concessions or other obligations under the General Agreement as it considers necessary. As such, the United States, pursuant to Presidential Proclamation, is suspending most-favoured-nation tariff treatment of Poland under the General Agreement.
