#### PROBLEMS OF TRADE IN CERTAIN NATURAL RESOURCE PRODUCTS<sup>1</sup>

The CONTRACTING PARTIES decide:

1. That problems relating to trade in the following natural resource products including in their semi-processed and processed forms, falling under the competence of the General Agreement relating to tariffs, non-tariff measures and other factors affecting trade, should be examined with a view to recommending possible solutions:

- (a) Non-ferrous metals and minerals
- (b) Forestry products
- (c) Fish and fisheries products

2. That for this purpose the Council should decide, for each of these three items, the terms of reference, time frame and procedures.

#### ASPECTS OF TRADE IN HIGH TECHNOLOGY GOODS

The CONTRACTING PARTIES decide:

1. That aspects of trade high technology goods, falling under the competence of the General Agreement relating to tariffs, non-tariff measures and other factors affecting such trade, should be examined with a view to recommending possible solutions to any problems that may be identified; and

2. That for this purpose the Council should decide upon the terms of reference, time frame and procedures.
