REPLIES TO QUESTIONNAIRE ON IMPORT LICENSING PROCEDURES

URUGUAY

The following communication dated 23 November 1982 has been received from the delegation of Uruguay in response to the questionnaire on Import Licensing Procedures annexed to document L/5106/Rev.1.

The Permanent Delegation of Uruguay to the United Nations Office and the Specialized Agencies in Geneva has the honour to transmit the following information from its Government in response to document L/5106/Rev.1:

- Uruguay does not apply any import licensing system.
- The existing system of import declarations could be considered as constituting automatic licensing, for purposes of registration and statistical verification.
