ARTICLE XIX - ACTION TAKEN BY THE EUROPEAN COMMUNITIES

Tableware and Other Articles of a Kind commonly used for
Domestic or Toilet Purposes, of Stoneware

Addendum

Revocation of Measures

The following communication, dated 5 August 1983, has been received from the delegation of the European Communities.

On 3 January 1983, the European Community informed the CONTRACTING PARTIES of emergency action taken under Article XIX on imports into France and the United Kingdom of tableware and other articles of a kind commonly used for domestic or toilet purposes, of stoneware, falling within sub-heading 69.12 B of the Common Customs Tariff (document L/5447).

Following consultations with the country which is the principal supplier of these articles to the Community, and undertakings given by that contracting party, these emergency measures have been revoked.

In order to ensure that the machinery set up by that contracting party is operating properly, a system of automatic authorization for imports (free of charge, issued within five working days) has been established with effect from 16 April 1983 to 31 December 1985 in France and the United Kingdom in respect of the products concerned when originating in or imported from that contracting party (see Regulation (EEC) No. 873/83 of 12 April 1983, OJ No. L 96 of 15 April 1983, confirmed by Council Regulation (EEC) No. 2050/83 of 21 July 1983, OJ No. L 200 of 23 July).
