HONDURAS - REQUEST FOR OBSERVER STATUS

The following communication, dated 19 September 1983, has been received from the Permanent Mission of Honduras.

The Permanent Mission of Honduras to the Office of the United Nations and International Organizations at Geneva, has the honour to inform the Director-General that the Government of Honduras has been following the activities of GATT, and in view of the interest it presents for our country, has decided to request observer status at the meetings of the Council and the subsidiary bodies of that institution.

The object of the Government of Honduras in seeking observer status is to study the possibility of becoming a contracting party to the highly important General Agreement.
