ACCESSION OF TUNISIA

Memorandum on Foreign Trade Régime

The following communication, dated 12 October 1983, has been received from the Permanent Mission of Tunisia.

The Permanent Mission of Tunisia at Geneva presents its compliments to the secretariat of GATT and has the honour to transmit herewith three copies of a memorandum on the foreign trade régime of Tunisia.

The Memorandum is submitted in anticipation of accession by Tunisia to the GATT.

Also attached is a copy of the customs tariff, which might undergo certain adjustments in connection with the adoption of the 1984 Finance Law.

With reference to the decisions of 22 November 1982 (L/5421) and (L/5409), the Government of Tunisia requests a further extension of the Decision of the CONTRACTING PARTIES of 12 November 1959.

The Memorandum on Foreign Trade Régime submitted by Tunisia will be circulated as an Addendum to this document and contracting parties will be invited to communicate to the secretariat any questions they may wish to put concerning the matters dealt with in the Memorandum, for transmission to the delegation of Tunisia. The Tunisian Tariff is available in the secretariat (Development Division, Room 2010) for consultation by interested delegations.
