ARTICLE XIX - ACTION BY AUSTRALIA

Hoop and Strip of Iron or Steel

Addendum

TERMINATION OF ACTION

The following communication, dated 27 February 1984, has been received from the Permanent Mission of Australia.

GATT documents L/5365 and L/5365/Corr.1 of 20 September 1982 and 4 October 1982 respectively contained a notification from the Australian Government of action under GATT Article XIX in respect of certain imports of hot-rolled hoop and strip of iron or steel.

The Australian Government wishes to inform contracting parties that the tariff measures which necessitated this Article XIX action have now been terminated following the introduction of a new five year steel industry plan with effect from 1 January 1984.
