Notification by Austria

Addendum

The Permanent Mission of Austria has notified the following changes made with effect from 1 July 1984 in List B¹ of the origin rules under the Austrian GSP scheme.

(a) Add the following:

Tariff heading No.	13.02
Description	Shellac, seed lac, stick lac and other lacs; natural gums, resins, gum-resins and balsams
Working or processing that confers the status of originating products	Working, processing or assembly in which the value of the materials and parts used does not exceed 50% of the value of the finished products.

- (b) In column 2 of the entries against tariff heading Nos. "ex Chapter 28 to 37" and "ex 35.07", the expression "preparation used for tenderizing meat, preparation for clarifying beer composed of papain and bentonite and enzymatic preparations for the desizing of textiles" should be replaced by the expression "prepared enzymes not elsewhere specified or included." (Thus, List B under the Austrian GSP rules of origin has been harmonized with the corresponding List under the EEC GSP Scheme in this regard.)
