Communication from Chile

Addendum

The following communication, dated 24 October 1984, has been received from the Permanent Delegation of Chile.

AMENDMENTS TO NOTIFICATIONS CIRCULATED IN DOCUMENTS L/5499 AND L/5499/Add.1

Under Ministry of Finance Decree No. 746 of 21 September 1984, the following amendments were made to the earlier notifications:

1. Tariff change

The customs duties formerly fixed at the rate of 20 per cent have been raised to 35 per cent ad valorem. This change does not apply to the tariff treatment of the motor-vehicle sector nor to products in respect of which there are existing tariff concessions negotiated at a level below 35 per cent.

2. Elimination of tariff surcharges

Under the above-mentioned Decree the tariff surcharges that were applicable to a limited number of imported products have been revoked.

3. Elimination of specific duties on dairy products

Likewise under Ministry of Finance Decree No. 746, the specific duties that had been applicable to imports of certain dairy products have been eliminated.
