COMMUNICATION FROM CANADA

The Director-General has received the following communication, dated 17 December 1985, from the Permanent Representative of Canada, with the request that it be circulated to all contracting parties.

---

I have been instructed to inform you that the Government of Canada is pleased to offer Montréal as the site for the September 1986 Ministerial meeting which will consider the program for the Multilateral Trade Negotiations.

My Government believes that Montréal, which has an established international reputation and the infrastructure to host events of this importance, is a prime site for such a meeting. We will be pleased to provide full information on the facilities available for the Ministerial meeting.

I would be grateful if you would inform the contracting parties of the foregoing.
