Corrigendum

The following communication has been received from the Permanent Mission of Brazil.

With reference to the notification by Brazil on Subsidies pursuant to Article XVI, dated 29 May 1987, and published in document L/6111/Add.6, dated 26 June 1987, I would be most grateful if a corrigendum of the said document could be undertaken, so as to include on page 5, in the final sentence under sub-heading 'Amount' in item C, the following wording: "... and cruzados (CZ\$) 2.881 million in 1986. A breakdown showing each line of credit not technically possible".
