

GENERAL AGREEMENT ON

TARIFFS AND TRADE

Limited Distribution

THAILAND

Establishment of a new Schedule LXXIX

Decision of 3 December 1987

Considering that the Government of Thailand has notified the CONTRACTING PARTIES that in accordance with the decision of the Customs Co-operation Council that the CCCN be replaced by the Harmonized Commodity Description and Coding System (Harmonized System) on 1 January 1988, the Government of Thailand has decided to implement the Harmonized System on that date;

Considering that the Government of Thailand has recently completed the process of transposing its Customs Tariff from CCCN to the Harmonized System, and that its Harmonized System documentation required under the procedures of Article XXVIII has already been submitted to the GATT Secretariat and will be circulated to the contracting parties shortly;

Noting that the Government of Thailand has emphasized that in the process of conversion there has been no change either in product descriptions or tariff rates of bound items or Initial Negotiating Rights, but that the Government of Thailand is prepared to enter into consultations with any interested contracting parties;

Recognizing that in view of the time constraint, it will not be possible for the Government of Thailand to terminate consultations under the procedures of Article XXVIII of the General Agreement before the scheduled date of implementation;

The CONTRACTING PARTIES, acting pursuant to the provisions of Article XXV:5 of the General Agreement,

Decide, in view of the exceptional circumstances, to suspend the application of the provisions of Article II of the General Agreement to enable the Government of Thailand to implement, on 1 January 1988, the Harmonized Commodity Description and Coding System, subject to the following conditions:

1. The Government of Thailand will promptly enter into negotiations and consultations with interested contracting parties pursuant to paragraphs 1-3 of Article XXVIII.
2. The negotiations and consultations mentioned above shall be completed not later than 30 June 1988.
3. Pending the entry into force of the results of the negotiations or consultations mentioned above, the other contracting parties will be free to suspend concessions initially negotiated with Thailand to the extent that they consider that adequate compensation is not offered by the Government of Thailand.
