ACCESSION OF EL SALVADOR

The following communication, dated 30 November 1988, has been received from the Minister for Foreign Trade of El Salvador.

I have the honour to inform you that, because of an error of interpretation of the decision of the Ministers concerning the countries which could participate in the Uruguay Round, we requested provisional accession to the GATT.

Please take note that the word "provisional" should be eliminated from our request for accession, that accession is being effected in accordance with the provisions of Article XXXIII of the General Agreement, and that all contracting parties will have to be so informed.
