UNITED STATES - SECTION 337 OF THE
TARIFF ACT OF 1930 - PANEL REPORT

Communication from the United States

The following communication, dated 21 June 1989, has been received from the United States Trade Representative.

In connection with the discussion on agenda item 14 ("United States - Section 337 of the Tariff Act - Panel Report") my delegation requests that the panel report (L/6439) be derestricted at this meeting of the Council.

We make this request so that we will be able to show this report to interested people in the private sector and to members of our Congress. (Because of the separation of powers in our Government, we are unable to show restricted GATT documents to our Congressmen.) This will facilitate greater understanding of this report.
