GENERALIZED SYSTEM OF PREFERENCES

Notification by Finland

Addendum

In a communication dated 14 July 1989, the Permanent Mission of Finland has transmitted the latest amendments to the Finnish Scheme for the Generalized System of Preferences. The amendments entered into force on 1 July 1989.

GENERALIZED SYSTEM OF PREFERENCES

Amendments to the Finnish Scheme as from 1 July 1989

The following amendments concerning the beneficiaries and the product coverage have been made to the Finnish Scheme with effect from 1 July 1989 (Decree 534/89).

Kiribati, Mauritania, Mozambique, Tuvalu and Vanuatu have been granted the status of a least developed country.

In accordance with the concessions made by Finland in the GATT Uruguay round of multilateral trade negotiations, two tropical products (ex 40.11 tyres of a kind used on scooters and ex 40.13 inner tubes of a kind used on motorcycles) have been deleted from the list of products not eligible for preferential treatment.

One more item (ex 56.02 felt made by stitch-bonding) has also been deleted from the negative list.

Roasted coffee (ex 09.01) has been included in the list of eligible products for the benefit of the least developed countries only.

The revised lists of beneficiaries and products are annexed.

ANNEX

BENEFICIARY COUNTRIES

1 §

The least developed countries are marked with asterisk (*). (Countries which have given notification of their authorities empowered to issue GSP certificates of origin have been typed in boldface.)

- * Afghanistan
- Algeria
