RECTIFICATIONS AND MODIFICATIONS OF HARMONIZED SYSTEM LOOSE-LEAF SCHEDULES

Schedule LVII - Yugoslavia

The following communication dated 6 September 1989 has been received from the Permanent Mission of Yugoslavia.

The Permanent Mission of the Socialist Federal Republic of Yugoslavia to the United Nations Office and Other International Organisations at Geneva presents its compliments to GATT Secretariat, Tariff Division, and has the honour to transmit for circulation to the Contracting Parties the following corrections of a purely technical nature that should be made to the consolidated HS Schedule LVII-Yugoslavia annexed to the Geneva (1989) Protocol to the General Agreement on Tariffs and Trade circulated in document L/6466/Add.1:

1. On page 78 for the tariff item 8455.90 the missing tariff rate of 22% should be introduced into column 3 and G/HS/89 into column 4.

2. On page 114 the tariff item number for manostats should read 9032.20 instead of 9021.20. In addition, the tariff rate of 20% in column 3 and G/HS/89 in column 4 should be eliminated.

Attached are the corresponding revised pages[1] 77-78 and 113-114 of Schedule LVII - Yugoslavia for replacement in the HS loose-leaf schedule.

If no objection is notified to the secretariat within three months from the date of this document, the rectifications will be deemed to be approved and will be formally certified.
