NOTIFICATION PURSUANT TO PARAGRAPH 3 OF THE DECLARATION
ON TRADE MEASURES TAKEN FOR BALANCE-OF-PAYMENTS PURPOSES¹

Communication from Sri Lanka

The following communication, dated 7 March 1990, has been received from the Permanent Mission of Sri Lanka.

You would kindly recall that at Sri Lanka's balance-of-payments consultations under the simplified procedures, held on 21 November 1989, the delegation of the European Communities wished to have the following:

- (a) a list of items that are presently under import licensing procedures in Sri Lanka; and
- (b) the present status of the items of import referred to in paragraph 9 of document BOP/W/130.

While regretting the delay in furnishing the required information which was unavoidable as it involved somewhat laborious work by the relevant Sri Lankan authorities, I am glad to submit herewith in Annex A, the list of items referred to at (a) above, and, in Annex B, an account of the present status of the items of import as required in (b) above.

Up to March 1989, all capital goods were dutiable at 5 per cent and then onwards a 5 per cent surcharge was introduced for a limited time period of two years from 15 March 1989. Temporary credit restrictions were introduced in June 1989 under which Letters of Credit for luxury consumer goods must be covered by a bank deposit of 100 per cent of the value of the goods. In 1989, all imports of primary items falling under CCCN headings 39.01, 39.02, 39.05 and 39.06 were liberalized and all non-tariff barriers were removed. Items that should be covered by the bank deposit of 100 per cent include electrical, gas or mechanical domestic appliances, refrigerators and air-conditioners, sanitaryware, alcoholic drinks, tobacco, computers and computer peripherals, furniture and household equipment, glassware, electrical lamps, detergents, motor vehicles, perfumes and cosmetics, photographic equipment, radios and televisions, video cassettes, watches and clocks and carpets and other floor coverings.
